DETACHABLE DIAMONDS

Diamonds, pearls and precious stones set in white gold that can be worn in more ways than one. A single piece becomes something completely different. And you become another you.

Elaborately crafted with diamonds and multi-sapphires, this choker switches at will into a graceful bracelet.

Diamond and pearl ringlets strung together create a stylish short necklace that dramatically turns into a bracelet.

Champagne diamonds and white diamonds spiral together to create a hypnotic neckwear that transforms into a pendant at your command.

Wear either a single or double string of this shimmering moonstones necklace interspersed with lustrous sparkling diamonds.

An exquisite champagne and white diamond neckwear unclasps to become a delicate citrine pendant to suit the occasion

Radiant citrine changes into resplendent blue topaz in this exquisite diamond studded ring to give your fingers a whole new elegance.

Wear this intricately crafted diamonds and pink tourmalines choker as a bracelet when you wish.
